MINGUS MATTERS

PAGE 1

Every Student Celebrated | Every Student Prepared

Hello Mingus Families,

A few things to keep in mind as we enter February. First, we are rolling out a new FLEX program during advisory classes on Thursdays to allow teachers and students to connect to get academic help, make-up work, and strategic use of academic time targeted to specific student needs. This is an essential time of year for students as the semester progresses and patterns of attendance, turning in work, and understanding material are often set for the remainder of the Spring semester. Please help in supporting your student and their progress!

Operation Graduation is a yearly event sponsored by the Mingus Connection Foundation, the Cottonwood Rec Center, parents, community volunteers, and local businesses. Operation Graduation is a FREE safe, adult-chaperoned event for MUHS 2025 graduates that takes place after the graduation ceremony. Mingus Connection Foundation is looking for volunteers, as well as donations from local businesses to make this event possible. Join us and be part of this wonderful tradition! For more information, please follow us on Facebook or Instagram, attend one of our upcoming meetings (date, time and location can be found on the MUHS community calendar) or send us an email to muhsopgrad@gmail.com.

This month, OpGrad is meeting in the cafeteria at 5:30pm on February 20th. This is a great event to help with BEFORE your student is a senior.

Also, mark your calendars for February 12th which is our second Sonic School Spirit night this year. Between 5 and 8 pm, 10% of sales at Sonic Drive-In will go to MUHS.

February 13th and 14th are half days of school for parent teacher conferences. Your child's advisory teacher should reach out to you to schedule if they are failing any classes.

Remember there is no school on the 17th in observance of Presidents' Day.

This month is huge for athletics as Winter sports are making state playoff pushes and coming to a close; Spring sport tryouts are also in February with most sports starting the week of 2/10/25.

Also, Mingus's award-winning theatre program is holding their annual Patchwork - Dinner Theatre Show on Friday February 7th and Saturday February 8th at 6pm.

Project Prom Closet, which serves students in finding free formal attire for their Prom, opens the final weekend of the month. More about this on page 3!

Please note there is a Governing Board meeting on Thursday 2/13/25 at 6pm in the MUHS library, and a work session on 2/27 at 5pm. There is also a SITE Council meeting on 2/18 at 5pm in the library. Please join me and our SITE Council in helping guide our school.

Thank you for your partnership in your child's education!

SENIOR SPOTLIGHT

Daizy Mejia

Daizy is the current Student Body President at Mingus and has plans to attend the University of Arizona in the fall of 2025 with hopes to be able to travel around the world at some point. During her time at Mingus, she has also participated in Cheer and Volleyball, and is currently active in the Latino Student Union, Interact Club, National Honors Society, Softball, Link Crew, as well as one of the boys basketball managers. She says that being a part of all these clubs and sports has given her the opportunity to meet and become friends with so many people that she might not have. Being in these sports and clubs also helped her get excited about the school year because she always has something exciting to look forward to. She says her best high school experience so far has been the opportunity to go to State with Student Council her freshman, junior and senior years. She really enjoys being in the student council because of all the events they attend as well as the events they put on. Daizy has spearheaded several campus and community events in the past four years including pep assemblies, Prom Committee Chair 2024, 12 community blood drives, along with a very successful Toys for Tots Toy Drive in December 2023. For fun, Daizy likes to go shopping and hang out with family, friends and her boyfriend. Daizy says if she could go back and talk to her freshman self, she would tell herself not to stress out about the little things and that time flies very quickly so be sure to enjoy every single moment.

STAFF SPOTLIGHT

Jim Erick Custodial Supervisor

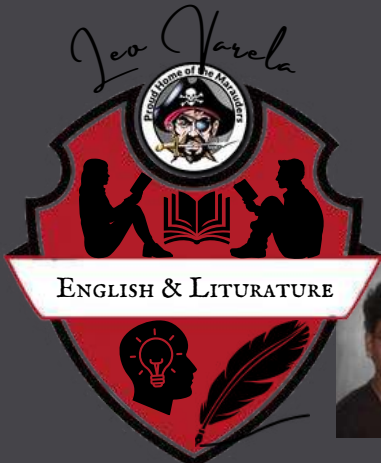

If you need something done at Mingus, Jim Erick is the guy you go to! Jim has been part of the Mingus family for nearly 14 years. He is always helpful and does everything with a smile and a kind word. He works tirelessly to maintain our campus and helps in the cafeteria every day. Mr. Erick likes being around people and is always moving to stay motivated. Prior to working at Mingus, Jim spent 39 years working for two large diagnostic companies where he managed and helped to build a 30-acre animal facility. His advice to students is to not be afraid to work hard and that failing is okay, since we learn from our mistakes. Jim was born and raised in California and graduated from high school before joining the work force. At home, he likes to relax and spend time with his wife, who is his high school sweetheart.

Shout Out

In January, sophomore Marauder, Thinura Ginige was in Chicago, accepting his award as a 2024 NASKA world champion, in front of over 800 of his peers. NASKA (North American Sport Karate Association) is the premier global organization for sport karate competitions, attracting the best martial artists from around the world.

Thinura battled his way through tough competition, traveling to 10 different states and twice to Canada. Achieving a world title is an extraordinary accomplishment—especially for someone from a small-town in Arizona like ours. This is a rare and remarkable milestone for our community!

Our VACTE CNA and Phlebotomy students competed at HOSA regionals. VACTE is for all high school age students in the Verde Valley and HOSA is the student organization for our future medical professionals. These students competed with students from all over Northern Arizona from as far as Lake Havasu and Kingman to Prescott and Chino Valley. The students were asked to prepare presentations for various events such as Mental Health Promotion and Community Awareness. All of our VACTE students placed in the top 3 for all of the events they competed in, which qualifies them to go and compete in March at our HOSA State Leadership Conference. If they qualify there, they will be eligible to go and compete at the National Level in Nashville, Tennessee.

- Gabriela Castrita took Gold in Mental Health Promotion with their Instagram campaign @mentalhealthmatterscna.
- Ashley Gonzalez and Lexi Bourque, took Gold in Community Awareness with their project about Vaping in High Schools.
- Gabriela Guerrero Jimenez took Gold in Prepared Speaking with a speech about the National HOSA theme "Powered by People"
- Elora Bakhaus took Gold in Health Career Photography, in which she portrayed three different Health Professions through pictures.
- Krystal Diaz-Lopez and MaryJane Gilkey both took Silver in Health Career Display, in which they presented a poster about EKG Technicians.
- Liliana Escamilla Cruz and Nariyah Thompson took Bronze in Mental Health Promotion with their Instagram campaign @cna_mentalhealthawareness.

Congratulations to all that competed and all of the winners! Good luck at State!

VALLEY
ACADEMY FOR
CAREER AND
TECHNOLOGY
EDUCATION

Who is VACTE?

The Valley Academy for Career and Technology Education (VACTE) was established in 2001 by approval of the citizens of the Verde Valley and Sedona areas. VACTE is one of fourteen Career and Technical Education Districts (CTEDs) in Arizona.

Our school district members are Camp Verde – Ed Mezulis, Clarkdale/Jerome – Kathleen Fleenor, Cottonwood/Oak Creek – Jill Myers, Mingus Union – Dave Leckington, and Sedona Red/Rock – Jeff Wassell.

Career and Technical Education Districts (CTEDs) are specialized school districts designed to deliver career and technical education (CTE) to high school students in cooperation with their member districts by providing a pathway for students to earn industry certification and college credit, as well as experience career-based learning, hands-on instruction, and leadership development through such organizations as FBLA, FCCLA, FFA, HOSA, and SkillsUSA. VACTE supports the CTE programs, CTE instructors, and more than 1,500 CTE students at the three local high schools. These programs include agriculture, automotive, business, coding, culinary arts, digital photography, drafting, film and TV, graphic design, sports medicine, stagecraft, and welding.

VACTE has additionally established 8 CTE programs offered at locations throughout the Verde Valley which provide career training to students from the three high schools, area charter schools, and home schools. These programs include: certified nursing assistant, construction, cosmetology, culinary arts, fire science, law enforcement, phlebotomy, and teacher training.

A strong partnership with Yavapai College has been developed in providing dual or concurrent enrollment courses, whereby, high school students are able to earn both high school and college credits for the courses in which they are enrolled. VACTE pays for the college tuition, textbooks, and uniforms for many of these programs. VACTE courses also support several industry recognized licenses and certifications which the students may earn upon exit from the programs such as Arizona Board of Nursing Certified Nursing Assistant Licensure, Arizona Board of Barbering/Cosmetology Licensure, and Arizona Firefighter I and II certification.

Mission

Provide an engaging learning environment resulting in the development of hireable and productive individuals in a competitive workforce. Students are offered quality instruction and technical skill foundations through on-the-job training in specific areas of career development. Our instructors share their extensive real-world knowledge for students to experience and achieve workplace success. Our development activities are use-inspired and include workplace soft skills, team building and industry standard skills.

We expect our students to be leaders in supporting the ideas behind this vision and mission.

Vision Statement

Skills for Today, Careers for a Lifetime

We envision a future where our students attain the skills to build professional careers that will last a lifetime.

Our focus is on creating an educational experience that supports everyone's desire to learn.
