Agenda Items

Mr. Beery welcomed all, went around the table and introduced ourselves.

4-Day School Week Survey Results

Discussion with new members on feelings about 4-day school week. Worried about children not having food, their welfare and childcare. Discussed the positives of having family time. But is it worth the academic trade off. This will be a Board Decision. A committee will be formed consisting of staff, parents and two board members.

Communication

Parents gave thumbs up on how communication is going. They enjoy the Sunday Robo calls and emails. Communication is GOOD!

Parental Concerns

Vaping, fighting, phones and dress code. We are consistent across the board on all disciplinary actions. Automatic 3-5 day suspension for fighting. Discussed fake accounts posting fights on social media. Explained the difference between Mingus Online and MOA. The students may walk in graduation with MUHS students. Counseling, do we have outside resources for children that need more help.

Our goal for all students is to set them up for success.
